

San Leonardo

1724

Visit San Leonardo safely

	Grouped entries in exclusive visits of maximum 10 people
	Upon entering the company, the self-declaration form of good health will be completed
	Sanitizers will be made available to visitors to sanitize their hands
	It will be required to use the mask in closed spaces and to maintain a safety distance during the walk in the vineyards
	The tasting will take place in suitable spaces to accommodate the participants during the visit, maintaining safety distances at all times
	The wine tasting will be paired with single-portion breadsticks

To keep the rooms dedicated to the visit healthy, the spaces are sanitized after each visit.

Thank you for your precious cooperation
